

Product Data Sheet

AQUAZZOL 801

Aquazzol 801 is a solvent for various chemical applications

PRODUCT BENEFITS

- ❖ Low heavy metal contamination
- ❖ Long shelf life
- ❖ Sharp boiling range

GENERAL SPECIFICATIONS

Product Appearance	Clear Liquid
Color	Colorless
Water Solubility	Miscible
PH	4.5-5.0
Specific Gravity	0.79 ±0.2

DOSAGE REQUIREMENTS

The dosage can be fixed based on feed parameters and can be dosed without dilution.
